Thank you for your interest in the East Lansing Soccer Club at the Capital Area Soccer League (CASL) level. The CASL League is a community-based program designed for those children looking for a more competitive atmosphere still with in their community boundaries. You must either be a resident of East Lansing or attend an East Lansing Public School to be eligible to play on an East Lansing team. Exceptions would be if you live in a community that is not fielding a team in your age group. Additional registration fees apply, and all fees for the entire 2010-2011 season will be collected before the start of the 2010-2011 season.

All tryouts will take place at the East Lansing Soccer Complex rain or shine. In case if dangerous weather, there will be a rescheduled date that will be announced.

A child may not turn the age of the division they are trying out for before August 1<sup>st</sup> of 2010; ie if trying out for a U-12 team you cannot turn 12 before August 1<sup>st</sup>. A child may play up one age division year if their skills warrant it.

Please arrive at least 15-30 minutes prior to the tryout time for check in. Please make sure your child is wearing shin guards and has a ball and water bottle.

Players must have an East Lansing Soccer Club Registration form on file with the Club and have a completed parental/player consent form in order to participate in tryouts.
